DISTRIBUTION TIME FOR ICP/HIS OFFSPRING MINISTRIES IN THE PHILIPPINES

The excitement was great as the pastors and church members loaded food store shopping carts with books and Bibles!

The ICP/His Offspring Ministries distribution is a one-of-a-kind ministry. There is no other source for literature to help churches teach children the precious life giving truths of the Bible. Through this ministry thousands of children will come to know Jesus as their Savior.

The speakers at the conference brought spirit filled messages about courage to stand for the Lord during these trying times. Even though the shopping center was not the ideal venue for the conference, it did give opportunity for many shoppers to hear the message of Christ.

Distribution of Bibles, VBS materials and Sunday school books was made to more than 250 churches at the conclusion of the Bible conference in San Fernando.

VBS literature for 30,000 children, almost 5,000 Tagalog language Bibles, tons of Sunday school books in English and so many more things were distributed to the churches represented at the "Age of Courage" Bible conference held in a shopping mall in San Fernando, near the ICP/His Offspring Ministries office.

The distribution was held following a day of inspiring messages from Bill Watson, Charles Murphy, John Hancock and John Sanders. Well over four hundred people representing over 250 churches attended the one day conference.

Each church was given a box of Bibles to distribute to those in need. Some churches took enough VBS materials for as many as four hundred children.

Age of Courage conference speakers Bill Watson, John Hancock, John Sanders and Charles Murphy. Bill and Rita Johnson and Jeremiah Abay present certificates of appreciation.

Hundreds of little girls including these pictured above were given dresses made by many caring ladies who took the time to make them. The girls who received them come from barrios, jungle villages and the streets of San Fernando.

BIBLES AND HOSPITAL BILLS

"Everyone who has no Bible, please form a line," Pastor Elmer Biado called out. About a hundred people attending a ladies meeting at the church lined up. Praise the Lord for the churches and individuals who provided funds for five thousand Bibles for people who did not have one!

We are thankful for those who contributed more than \$6,000 for help with hospital bills for a faithful pastor whose son suffered a heart attack while we were in the Philippines. The 34 year old son has been moved to a Manila hospital and is slowly recovering.

PHILIPPINE LAND AND BUILDING FUND

Thank you to Landmark Baptist Church, Whitesboro, Texas and the Bartholomew Association of Southeast Arkansas for their generous offerings to the Land and Building fund since our last report! Total offerings for the

LAND & BUILDING FUND
APRIL 10, 2016
