Oriental Trading is a good resource for these.

- We ask for an offering of **$5 per backpack** to help with customs and distribution.

- When you receive the backpacks, begin filling them from the check list. <u>We ask that no money be put in the bags.</u>

- Each bag needs to be labeled for girl or boy along with age level. Please include the name of the church and address. This will let the child know who to thank and enables us to return the tags with pictures to the church.

- When your backpacks are complete, return them to **ICP, 3004 E 19th St, Texarkana AR 71854** for loading the shipping container.

Girl and Boy Tag Patterns

Use the enclosed patterns to make labels to attach to the bags.
Cardstock is preferred.

Label information should include:
- **child age group**
- **church name and address**
