Moses and Titus continue to visit churches distributing *Lord of Kings* VBS curriculum and the *Character Code for Life* materials. They have provided VBS for the Makina Baptist Church and an ninety Sunday school books for 120 children in other churches.

Although the political situation in Myanmar continues to become more hostile to the work of God's people, Jacob Tubal is faithful to translate and distribute the *CCfL* curriculum to churches. He asked for a small truck but decided to purchase a car so his family could ride along as he goes to the churches to distribute *CCfL* materials and teach the teachers how to use them with the children.

Jacob's wife, Priscilla, and sons, Joseph and Joshua with the new car.

Because of the expanded ministry in Kenya and the planned printing of ICP materials in the Philippines, the overall ministry budget has been increased substantially. Please make this need a matter of prayer and, as God leads, help with this increased need. Thank you and praise the Lord for all the good things He has done.

Dedication of phase one building and distribution of literature for 165 churches. Preaching, praying and sharing in the Philippines.

With Mount Arayat in the background, the truck labored to bring the forty-foot container load of Bibles, VBS kits, hymnals, schoolbooks and so many other things for the children of the Philippines. It arrived just in time for the celebration of dedication of the new phase one building for our new home in the Philippines.

Rita and I were joined by Brother John Sanders for the dedication, devotion and distribution. The dedication began with the raising of the Philippines, the church flag and the United State flags. The boy scout troop who attends worship with Amazing Grace Baptist Church, Jeremiah Abay, pastor, did the honors. During the ceremony, Rita Johnson presented plaques to Jeremiah and Eleine Abay for their dedicated work in planning and supervising the construction. Rita also presented a plaque to John Sanders, on behalf of his sister, Lynda Patterson, for her contribution to make the building possible. Also a permanent plaque was affixed to the front of the building. Following the dedication, the ribbon was cut and the

crowd of three hundred pastors and leaders assembled in the building for the time of devotion. Bill Johnson and John Sanders brought the messages to the theme of "It's a Child's World." Part of the celebration was a feast which included a traditional roasted pig, Filipino style, and other traditional dishes of great food.

Then it was time for the "Distribution!" Representatives from the two hundred or so churches were given *Lord of Kings* VBS materials, complete for 125 students, hymnals, Bibles, and so many other things. It was a great day for the ministry of ICP/His Offspring Ministry in the Philippines.

PHILIPPINES BACKPACK MINISTRY

More than five hundred backpacks, each containing hygiene items, school supplies, clothing and assorted other items for children, were in the big shipping container. In two separate points of distribution, most of these backpacks were given to the children, but not before a message of salvation was presented. As the backpacks

were distributed, each child signed the tag attached to their backpack. At the current office facility of ICP, more than one hundred children rejoiced when handed a backpack created by the churches back home in USA. Then the elementary school students were eager to open and discover the good things in their backpack. The principal and teachers of this school, located about a mile from the new building, were also given reading and math books donated

by the Northside Elementary School of Henderson, Texas. They were thrilled to receive the new books!

Rita Johnson and John Sanders will be mailing the tags from the backpacks to the churches who provided them. The backpack ministry will make a difference in the overall outreach of the ICP ministry in the Philippines and other countries. Thank you all for your generosity.
