The Bible Conference in the Philippines is now set for May 25. Although it was delayed because of the late arrival of the container, there will be many VBS kits and other things to distribute to the 200 or more churches who are expected to be represented in the conference. Florence and Deither are both doing a great job getting things organized.

Florence is also making good progress in printing CCFL Module 2 materials on the four-color press. *(Pictured to the right.)*

Pictured on the left you will see we have a six foot tall wall around the entire His Offspring Ministry compound. However, it is not high enough to keep out would-be thieves. At the present time, we have a 24/7 guard service. It will cost about \$5,000 to extend the wall. When it is complete, we will save the expense

**CONSIDER
 A BACKPACK
 MINISTRY GOAL
 FOR VBS**

It is exciting to hear from churches who are making the Backpack Ministry of ICP their Vacation Bible School mission goal. For information about the items to be included in the Backpacks, visit our website at icplit.org.

If you would like additional information on how this ministry has already blessed nearly two thousand Filipino children, contact me at 970-213-3006 (jsbaptist@yahoo.com) or Rita Johnson at 903-278-3723 (ritajohnson@icplit.org). I will also try to be available to personally visit your VBS and make a presentation on behalf of the Backpack Ministry. I look forward to hearing from you!

You are invited to stop
 by booths 94 & 95
 at the
 2024 Annual
 Messenger Assembly in
 Springfield, Illinois
 June 18-20.

We would love to share
 the ICP Ministry.

Jacob has asked us to consider helping him purchase property for a future office of ICP/ Myanmar and to construct a house for his family. He has located suitable property which will cost about \$26,000. Rent for his apartment has increased so much during the past five years, it would be much less costly to buy land and build a house and office for him. Please make this an object of your prayers.

God has made it possible for Jacob Tubal's brother, Steven, to work in the His Offspring Ministry office in the Philippines during the summer months. He was able to flee from his country, Myanmar, to avoid being drafted into the army to fight against his own people. He will be learning how to operate a printing press and will be very valuable to the ministry in his own country when he is able to return. If you or your church would like to share in the support of Steven, please designate your checks to "Steven's Support."

Steven still has a desire to come to the United States to study in a seminary. We are praying that God will send a family who wants to sponsor him as an exchange student. If you or anyone you know feel led to do that, please contact us.

VBS graduation in the Busia region.

The four Landmark Baptist churches of Busia region, in the western region of Kenya, had their first successful VBS. Busia is on the farthest western part of Kenya that borders Uganda. Moses reports that four children made professions of faith, but heavy rain made it necessary to postpone the baptism.

It is our prayer that God will use His people in providing funds needed to share His Word.

Please make this an object of prayer and, as the Lord leads, send your love offering to PO Box 2587, Texarkana, TX 75504 or give online at www.icplit.org

for your love, prayers and support for the ministry of ICP
