BOOKS BEING PRINTED For Uganda and South Sudan

The recent funds which Brother Bill sent have enabled us to begin printing ICP literature for our churches in Uganda and South Sudan. We have already printed two hundred preschool copies.

We are still working on printing the books. We will be able to print a total of one thousand copies which will be sent to our churches in the two countries.

DISTRIBUTION OF BOOKS

1,500 copies of Swahili ICP books have been distributed to 61 of our churches.

SUNDAY SCHOOL TEACHERS SEMINARS

Last month, we had a successful Sunday School Teachers' Seminar. It was held at Webuye Landmark Baptist Church. Thirteen teachers of Bungoma region were in attendance.

After sharing with them the tips on using the Swahili ICP literature, the teachers were eager to use the books.

Another seminar is scheduled for July. That will be for churches in Naivasha region. It will be held at Karate Landmark Baptist Church.

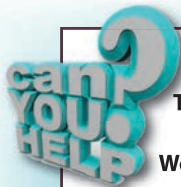

NAIROBI REGION VBS

The Swahili ICP literature motivated the Sunday school teachers to organize Vacation Bible Schools.

The first VBS happened in April at Makina Baptist Church. It was done by our Baptist churches of Nairobi region. One hundred twenty children attended the VBS.

The VBS teachers used the Swahili ICP materials. We thank God for Brother Bill who made possible the printing of ICP materials. We also thank Brother Hopper who provided the funds that helped provide chairs to Makina Baptist. Every child had a chair to sit on during class sessions.

FUNDS NEEDING FOR PRINTING

The chart shows how many children can have printed *Character Code for Life* materials with your donation.

We are praying that "God will provide," and that God will use His people in His provision.

Please make this an object of prayer and, if it is His will, send your love offering to
 PO Box 2587, Texarkana, TX 75504
 or give online at www.icplit.org

10 classes of 50	\$1,980.00

Brother Gerry, the future pressman, has spent several days cleaning and preparing the four-color printing press for installation. Gerry has completed the inventory and plans for distribution of *Character Code for Life*, Module 1. Enough for three thousand children is now ready for distribution to the churches. ABA hymnals have been shipped to Maranatha Missionary Baptist Church in Ozamiz city, on the island of Mindanao.

I will be going back to the Philippines in August with Shane Saulsbury, a factory trained Ryobi press installation technician. We will install the press there and begin teaching Gerry how to operate and maintain it. We are praying that this will be the beginning of a printing ministry in the new warehouse in the Philippines.

WHAT HAS HAPPENED TO ME?

Salvation Tract

Have you ever felt like a whole dimension of yourself is just not there? Is there sometimes a crying out from within you for something you simply cannot explain? This feeling is common among people.

- What Happened?
- How Did It Happen?
- What Has Been Done About It?
- What Will You Do?

We plan to ship a container to the Philippines in late October. The container will include *Character Code for Life* curriculum books for fifteen thousand children and many other things.

It will be a real blessing if those who have any of the following items could bring them to the **WWLMS Warehouse, 300 Byrd Industrial Drive, Hamburg, Arkansas.**

- Hymnals—especially American Baptist Hymnal and In Spirit and In Truth Hymnals. Any quantity of these or others will be used by the churches in the Philippines.
- Pianos and organs—many churches have these which are in good repair but are not being used. The churches in the Philippines will put these instruments to good use!
- Other Items—there is also a great need for folding chairs, PA systems and pillowcase dresses
- Backpacks (see the web site at www.icplit.org for information about these).
