Work in the Philippines

The work of increasing the height of the wall around the property has been completed. Acting Project Director Florence Paguio and the staff are turning their full attention to completing the printing of *Character Code* materials for fifteen thousand children.

We are excited about the ongoing Backpack Ministry in twenty churches each of which are teaching a group of fifty children Module 1 of *CCFL* curriculum. These children were given the backpacks at the beginning of this course.

We are hoping for more backpacks this year. The container will be shipped in late November. Please contact us if you or your church would like to send backpacks. We are trusting the Lord to lead the churches to participate in this valuable ministry.

Children in the churches enjoy the backpacks and the Bible values lessons!

Great Things Are Happening in Kenya

The new paper cutter in Nairobi, Kenya is just right (picture at right). Both Moses and Titus are already producing books by the hundreds and the old way was just too slow. The cost of the new cutter was just over one thousand US dollars. I add my deep appreciation for the generosity of those who provided the funds.

Moses and Titus are very busy printing Module 2 *Character Code for Life* literature for the children in the Swahili language.

They are quickly outgrowing the small office that they are sharing with Missionary Ernie Hopper. He has been very generous in allowing ICP work to use most of the space. But it is time for us to pray that God will provide the funds to purchase property and build a larger space. We will partner with Brother Hopper in this project. While no firm estimate of the cost has been made, we are sure that it will be more than \$100,000. Please make this an object of prayer. Should the Lord guide you to help, designate your offering to Kenya Building Project.

Moses reports that the Sunday School Teachers' Workshop, held at Silanga Landmark Baptist Church in the Nairobi area, was a great success. He and Titus will conduct a workshop at First Landmark Baptist Church in Nairobi in August. There will also be a VBS workshop in August.

Rita and I along with John Sanders are hoping to visit the work there in November. We will introduce Brother John to the workers and learn more about the ministry and building needs. — Bill Johnson

Russian Translation News: Module 6 of our *Character Code for Life* Russian translation is now finished, making it the first of the foreign languages to complete the nine-year curriculum. Once the final proofread is done, we will be reaching out to our contacts among Russian speaking churches and ministries with information about this literature. Please pray that it will reach millions of Russian speaking children and their families around the world.

Among the Churches:

I visited several churches in July promoting both the ICP curriculum and the ICP Backpack Ministry. It was a blessing to be with Marlow MBC, Sheridan (Pastor Mark Williams) for training on *CCFL* curriculum; Echo Hills MBC, Redwater, TX (Pastor Aaron Thompson) where I received an ICP offering raised during their VBS; Avery MBC (Pastor Roddy Jackson), thanking them for their support; NE Arkansas District Ladies Auxiliary meeting to promote our ICP Backpack Ministry. — John Sanders

Ambassadors/Impact Makers

We are announcing a new way for individuals to set up one-time or regular contributions for the ministry. The efforts of Lew and Nicole England and Sid Hunter are appreciated in getting this set up. The giving platform is called ZEFFY. To donate, use the QR code or send checks to ICP, PO Box 2587, Texarkana, TX 75504.

Through your prayers and offerings, children around the world can know God's love for them.
