RUSSIAN TRANSLATION NEWS

Pavel Omelianchuk, ICP Belarusian Russian language translator, has completed all the *Character Code for Life* curriculum, Module 1 of *God's Character and Me*. He is working on Module 2. In the past two months, ICP has assisted Brother Pavel in helping provide food bags in very poor villages of Belarus, lead in a Teen camp where 20 teens professed faith in Christ. ICP also helped Pavel with a trip to South Africa, near Cape Town, to work with children in a large orphanage. Pavel promotes our CCfL curriculum everywhere he goes and has a number of Russian speaking churches now using the material. Pavel has a passion to reach children in Belarus and around the world with the gospel. Special thanks to Missionary John Pinkavich for recommending Pavel to us and for proofreading all the translations for accuracy.

SPANISH TRANSLATION NEWS

Character Code for Life curriculum in the Spanish language has made its way to Columbia for missionaries Gabriel Sanchez and Edgar Rubio. Brother John Sanders spent several days with the Sanchez family in Monteria, not only providing CCfL material but also Spanish Bibles and tracts. While there, Brother John had the privilege of preaching to those gathered for services at Primera Iglesia Bautista Misionera, Monteria. What a precious group of people.

Children's material for Missionary Edgar Rubio's work in Guamo was hand delivered by his mission treasurer, Brother Mike Mee, and several members of First Landmark, Clarksville, Arkansas, who were there to do ministry work.

CHARACTER CODE FOR LIFE IN ACTION

Teachers who love God and His Word and love their students are an incredible blessing to a church. These are the teachers who pray as they plan and prepare to present the best possible lesson for their students. They pray for the salvation of every child and then present the gospel and Bible lesson in terms that their students can easily understand and respond to. They go the extra mile to communicate their lesson.

Pictured is First Baptist of Cave City *Character Club* Primary teacher, Sharon Reid, dressed to illustrate Module 1 value lesson on Acceptance.

First Baptist is completing her seventh year of *Character Code for Life* studies with plans for many more years of this vitally important biblical values training. We continue to see many children saved and baptized, approximately seventy since beginning Character Clubs.

We have been getting wonderful reports of young people being saved and baptized in many foreign countries where *Character Code for Life* curriculum is being taught. Those countries include the Philippines, Myanmar, Columbia, Ecuador, Kenya, South Sudan, Uganda, Belize and Solomon Islands.

The latest printing of CCfL, Module 2, in the Philippines will provide material for over 12,000 children.

You can have a part in these ministries around the world by your prayers and offerings. We are praying that "God will provide," and that God will use His people in His provision.

From ICP
Project Manager,
Jacob Tubal

HELP for MYANMAR (Burma) EARTHQUAKE VICTIMS

This country has been through a lot in the last few years beginning from COVID and coup to the 7.7 magnitude earthquake.

Due to the coup in early 2021, civil war broke out resulting in displacement of over two million with almost ten thousand casualties, most of which are civilians. Hundreds of thousands of young people fled the country including my own brother, Steven. They are knocking on everyone's door to forcefully conscript young people to kill civilians.

In addition, the world cursed by our God, mercilessly took over 3,000 lives and counting within a few days as the most deadly earthquake in its history rocked the country on March 28, 2025 as you can see in the pictures. The junta government, instead of helping those people, bombed the civilians killing more than 100 people within the last three days. Over 20 million people are sleeping in the street as hundreds of thousands of buildings were toppled. Most are without food or water and no power even to charge phones to communicate with loved ones.

How can you help?
